READER'S **Recipe**

CHICKEN POT PIE

Chicken thighs (4 to 6) 1 c. flour
 1 medium onion 2 large eggs
 diced potatoes (optional)
 water or canned chicken broth (enough to cover thighs, onions, and potatoes)

Place chicken thighs with cut onion in water or canned chicken broth in a large soup pot. You may add diced potatoes if you please. Boil chicken, onion, and potatoes until chicken is done and 3/4 of broth remains. Mix together eggs and flour until all stickiness is gone. Roll out dough onto a floured counter. Roll dough until it is about the width of a quarter. Cut into squares. Add squares 1 at a time into boiling chicken broth. Broth must cover all square completely. Add water or broth if necessary. Once all squares are added, add salt and pepper to taste. Cover and simmer for approximately 15 minutes. Let sit for another 10-15 minutes covered before serving.

What is A Town?

A town is a group of people.

- It is a school.
- It is a city government.
- It is churches.
- It is industry and jobs.
- It is retail businesses.

They all have to work together. All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs.

Without their store you have no town.
