What Is Aqua Foot Detox And Foot Reflexology?

The foot spa contains water, a saline solution and an electro magnetic device called an array. That is it! The Aqua Detox™ System produces a charge which stimulates the cells within the body. The positive and negative charges in the water allow the body to attract and use the negative ions to rebalance and release toxins. The most convenient and effective way to release these toxins is through the 4000 pores on the feet. Your body will continue to detoxify for up to 48 hours after a session. Research has show that the benefits of those receiving treatment have had increased: Vitality, Circulation, Energy Levels, Organ Energy, Sense of Well Being, Nutrient Absorption. Debi Fegley is offering the Aqua Foot Detox at Pinnacle Hypnosis and Therapies EVERY Wednesday from 12:30 to 5:00 and the First Saturday of the Month - 9 am to Noon (Saturday, April 7). She has a wonderful way of explaining what the colors and bits in the water mean. It truly is amazing. By appointment or Walkins are always welcome. Sessions are 30 minutes long for \$35. Seven machines available. Also offering 30 minute foot reflexology sessions (one-hour sessions available) during the Aqua Foot Detox times. They are perfect to have done back to back. What is foot reflexology? The Reflexology Association of Canada defines it well. "A natural healing art based on the principle that there are reflexes in the feet, hands and ears and their referral areas within zone related areas, which correspond to every part, gland and organ of the body. Through application of pressure on these reflexes with-

out the use of tools, creams or lotions, the feet being the primary area of application, reflexology relieves tension, improves circulation and helps promote the natural function of the related areas of the body." Many people comment that they feel like they have had a whole body massage after a foot reflexology session. It is very relaxing and goes well with the detox. Appointments are recommended for the reflexology sessions. 30 minute sessions for \$35.00. Call for more information, or stop in April 7, 2018 and every Wednesday at Pinnacle Hypnosis and Therapies, 400B South Fourth St., Hamburg, PA 19526 610-823-4160. READER'S Recipe

CHICKEN-FRIED STEAK w/GRAVY
1-1/2 lbs. tenderized beef round steak, cut into 4 portions (can use cubed beef patties) salt & pepper to taste
1 cup all-purpose flour
1/4 teaspoon paprika
1 tablespoon dried thyme
1 teaspoon garlic powder
1 large egg, beaten with 2 tablespoons milk
4 tablespoons canola or vegetable oil
3 cups milk, more if desired

Season the steak with salt and pepper. Combine the flour, paprika, thyme, garlic powder and additional salt and pepper on a flat plate or waxed paper. Heat a large skillet over medium-high heat. Add the oil and heat. Dip the steaks first in the flour, then in the egg wash, and in the flour again. Fry until browned on both sides and cooked through, about 4 minutes per side. Remove from pan and keep warm (in a 200° F oven if necessary). Pour off all but 3 tablespoons of the fat in the pan. Add 3 tablespoons of the seasoned flour and stir constantly over medium heat to make a browned roux. Gradually whisk in the milk until gravy is thick and creamy, adding more if a thinner gravy is desired. Taste for seasoning. Use the gravy to top the meat and any side dish.
