Each office is independently owned and operated

Thinking of Selling in spring or summer? Don't wait till then! Berks County has a historic low inventory of homes at this moment. Therefore, there is less inventory of homes for Buyers to choose from and Sellers will sell their property in record time!

Thinking of Buying? Did you know there is a program for first time homebuyers in the Hamburg/Northern Berks areas that provides 100% financing thru USDA. And, the Seller can contribute up to 6% of the sales price towards Buyer's closing costs. So why pay rent when you can own!!! Very little monies required from Buyer. Call our office today for more details!

Hypnosis and the Student

By: Lori Kleinsmith, Certified Hypnotist

For some students, the stress and anxiety of school and academics can become overwhelming. The huge amount of pressure can come from themselves, parents, teachers, and friends. Stress may affect students in many different ways. For some students, their grades start to suffer. Others become so overwhelmed by stress that they start self-mutilating, develop tics, delve into drug or even drop out of school all together. Hypnosis can be a very useful tool for struggling students. A study performed in 1990 took a look at the role hypnosis played on helping college students with test anxiety. The participants in the study were randomly divided into two groups. One group served as the control group and received no form of treatment. The other group received cognitive-behavioral hypnosis. The researcher evaluated the effects of hypnosis in improving academic performance and decreasing test anxiety. Both groups were enrolled in a demanding psychology course. All students were evaluated based on their midterm grade and anxiety levels. The hypnosis group reported a significant reduction in test anxiety and improvement in academic achievement. Both groups were evaluated 6 weeks after the end of the course and the hypnosis group was found to have maintained their hypnosis gains in

achievement and reduction in anxiety. Cognitive behavioral hypnosis is a highly effective and helps students improve performance and reduce anxiety. The self-hypnosis that was taught to students, included relaxation techniques and the usage of imagery, was able to help the college freshman cope with stress

and the pressures of college. Hypnosis is a very effective in helping to reduce stress and anxiety in not only college students but also students of all grades. Empowering them to have the ability to better manage stress. This ability not only improves their academic performance, but will continue to help them cope with

stress in other situations throughout their lives. As their stress and anxiety lessens their confidence grows. For more information contact Lori Kleinsmith, NLP, Certified Hypnotist and owner of Pinnacle Hypnosis & Therapies, 400B S. Fourth St., Hamburg, PA 19526. 610-823-4160.

Food will sustain you as a human, the arts INSPIRE you to be DIVINE

Rev. Jayne Howard Feldman, angel author of 3 books such as "Angels By My Side: Inspirational Stories of the Invisible Made Visible", "Commune with the Angels", and "Driving Under

the Influence of Angels", has created "Angel Day" - a national holiday celebrated August 22 for over 25 years. The motto is "Do a small act of service, be a blessing to someone." Rev.

Jayne Howard Feldman writes "In serving God together with the angels, I have come to know the connection between angels and the arts. Just as the angels are God's messengers of uplifting energies, the arts inspire our inner creativity to take flight and soar to great heights, angelic heights. The angels once gave the following message: 'Food will sustain you as a human; the arts inspire you to be divine.'"

The Arts are represented beautifully at Angel Day Spiritual Holistic Faire where vendors await you - angel artists who will share their talents and gifts of Reiki, aromatherapy, alternative healing modalities, the arts, crystals, fresh delicious Mediterranean food, and inventions such as the tensor ring, created to help with healing and to diffuse negative energy from microwaves, computers, angel pot-

tery, angel paintings and original greeting cards. Native American flute music will be featured. A storybook about animals, for sale and signed by the author, will be read to children of all ages. Music to heal by CDs will be available. You are invited to paint on a visionary mural (all materials provided) encouraging the public to be divinely-inspired artists, sharing their dream of what you would like to do to help humanity, animals and the world. WOW! Join us for Angel Day Spiritual Holistic Faire, Saturday, August 31-10:00 a.m. to 4:00 p.m., at the Leesport Farmers Market, Leesport, PA (312 Germant's Church Road, 8 miles north of Reading, PA on Rt. 61, 1 block east.) It's air conditioned! Admission: \$6.00 - \$5.00 if you donate cat or dog food for the local food bank. Vendor booths are still available, contact Kimberlee Dawn: 484-516-8080
