Cruising Tips And Tricks

Cruising can be an ideal vacation for people of any age, but particularly for seniors. Cruises combine all-inclusive meal packages with accommodations, breathtaking ports of call and pre-arranged activities, so vacationers do not have to lift a finger for days on end. Cruising also can be a social activity, meaning singletons can meet up with other like-minded people and enjoy the cruising experience together.

Cruise Lines International Association, a global organization advocating for the cruising community, found that 25.8 million passengers expected to take a cruise in 2017, and various cruise companies invested more than \$6.8 billion in new ocean vessels.

Whether a person is new to cruising or is a seasoned ocean or river traveler, there are always techniques to try to score great deals or enjoy the experience even further. Consider these tips and tricks, courtesy of Royal Caribbean, The Cruise Critic, the Travel Channel, and other vacationing experts.

- Research the ships, and not just the cruise lines. Cruise lines each offer their own amenities and are known for certain features. One cruise line may be a better match for young singles, while others may cater to families. In addition, certain ships may have their own special features such as water slides, athletic events, casinos, and more. Choose a ship that meets your needs.
- Arrive the night before. There's no need to rush to the port to board the ship. Extend the vacation a little further by arriving a night or two before and checking into a nearby hotel. Some hotels may offer free parking or shuttle service to the ship.
- Choose a close port if you wish to avoid airline costs and the extra hassles of coordinating luggage and travel to the port.
- Book dining ahead of time. Cruise ships often have a main dining room and then specialty restaurants. If you want a particular meal, make reservations before leaving port. Certain restaurants may offer discounts or perks, such as a free bottle of wine or premiere seating.
- Understand what's included. Cruise ships have many foods and drinks that are included in the packaged price. Certain branded items, such as specialty coffees or ice creams, may be available at an additional charge, as are premium drinks. But chances are you can find a free, similar version elsewhere on the ship.
- Explore special discounts. When shopping for a cruise, see if there are discounts available for seniors, teachers, people in the military, or those who belong to certain clubs. Cruises often love to incentivize, so it pays to ask about discount pricing.
- Make a list of activities. It can be easy to get overwhelmed by all of the offerings on a cruise ship, so much so that there's some stress over trying to fit it all in. Recognize that you can't see or hear it all, and prioritize what's important to you. Make sure you have plenty of time to relax.
- Book at the right time. Cruises may be more available after Labor Day when kids go back to school and the weeks between Thanksgiving and Christmas when others are too busy to travel.

Cruising can be an ideal vacation for travelers who are savvy enough to do their research. when you download the pack-age.

But chances are you can find a free, similar version elsewhere on the ship.
- Explore special discounts. When shopping for a cruise, see if there are discounts available for seniors, teachers, people in the military, or those who belong to certain clubs. Cruises often love to incentivize, so it pays to ask about discount pricing.
- Make a list of activities. It can be easy to get overwhelmed by all of the offerings on a cruise ship, so much so that there's some stress over trying to fit it all in. Recognize that you can't see or hear it all, and prioritize what's important to you. Make sure you have plenty of time to relax.
- Book at the right time. Cruises may be more available after Labor Day when kids go back to school and the weeks between Thanksgiving and Christmas when others are too busy to travel.

WITH OUR THANKS AT YEAR'S END

With warmest wishes for a Happy New Year to our friendsand neighbors.

We really appreciate your visiting us this year and look forward to seeing you again, soon!

Comfortable Winter Entertaining Ideas

Winter entertaining need not end once Christmas and New Year's Day have come and gone. Getting together with friends and family is still possible even if the weather outside is frightful. When Mother Nature takes a chilly turn, those who don't want the party can consider the following entertaining ideas.

- Indulge in sweet treats. Comfort foods can make even the most blustery winds easier to tolerate. Invite people over for a dessert party. At a dessert pot luck party, everyone brings along a favorite decadent dessert, from molten lava chocolate cake to warm bread pudding. Serve alongside tea, coffee and hot chocolate. Adults can enjoy the added punch of spiked beverages, which can warm everyone up instantly.
- Host a "snowed in" party. Spending a day cooped up inside when the roads are covered in snow might not be your idea of fun, but invite a mix of friends and neighbors who live nearby over, and this impromptu party can make the cabin fever disappear. Ask guests to bring one food item or beverage. Light a fire in the fireplace and set out some cozy throw

blankets. If possible, invite everyone outdoors to build a snowman.

- Get physical. Get physically active with friends or family members by staging mock Olympic events in the yard. These can be fun "sports" created by participants or variations on fun winter activities. Sledding races, snowball dodging contests, ice skating obstacle courses, and much more can make for an entertaining afternoon.
- Get cooking. Cooking can certainly pass the time, and it can be even more enjoyable when done in the company of others. Send out an invitation for friends to stop by for a meal or plan a meal prep party.
- Host a movie marathon. Handpick some favorite films and invite everyone over for a movie marathon. Fill the family room, home theater room or living room to capacity and host a group for a film fest. If space permits, set up one room with a children's movie for youngsters, while the adults retire to another room for movies that are more their speed. A buffet table set up with assorted snacks will help keep bellies full while guests watch some favorite flicks.

SEASONAL EQUIPMENT

Harman Pellet Stove XXV used only 2 years, paid \$4600, selling for \$2000; 610-683-9419.

Well Maintained Craftsman Snow Blower: Gas Powered Two Stage, 24" Tecumseh 5.5hp w/adjustable shoot, runs great, snow chains, carburetor taken apart cleaned & O-rings replaced \$295, 42" Plow for a Craftsman lawn tractor never used, leave message 610-488-8848, pick up each only \$75.

HOUSEHOLD ITEMS/ FURNITURE

Beautiful Oak Dining Room Set. Includes large table with leaf and padding. 6 wicker and cushioned chairs. Large hutch with glass China closet, asking \$400; Call 610-683-9509.

Winter days and nights are ripe for entertaining possibilities. These events help squash the cabin fever that can sometimes develop during the colder times of year.

Coffee enjoyed with a group of friends can warm hearts on cold winter days.
