HYPNOSIS • REIKI • FOOT REFLEXOLOGY

LEVEL ONE REIKI CLASS
JANUARY 10 & 11, 2015
WHAT IS TRADITIONAL USUI REIKI AND WHY LEARN IT?

What is Reiki? Pronounced "ray kee" is a natural and holistic approach to healing and well-being that balances and harmonizes on all levels: mental/emotional, physical and spiritual. It is based on the principle that there is energy flowing in and through all living things, and that when this energy is low or impeded, stress, fatigue or illness are more likely to manifest. Reiki helps to restore one's natural state of health and well-being by balancing and harmonizing these energies.

Reiki is based on the "Usui System of Natural Healing." It was founded by a Christian monk, Dr. Mikao Usui, who was the principal and teacher at a Christian seminary in Kyoto, Japan. Since approximately 1980, Reiki had made its way into the U.S., Canada and eventually becoming worldwide. Because Reiki is now gaining wider acceptance in the medical community, many medical professionals are taking the training independently and some hospitals are now offering it as part of their services for both staff and patients. Everyone can benefit from a Reiki session. A few examples are: relaxing and reducing stress, relaxing during pregnancy, promotes personal awareness, takes the edge off of withdrawal symptom from quitting smoking, alcohol or drugs, fosters natural self-healing and balances energies in the body. May also help to relieve nausea and pain for cancer patients and stimulate nerves for stroke patients. It can also help in processing the loss of a loved one whether it is from death or divorce. The list goes on and on.

Why learn Reiki? People are "called" to learn Reiki, sometimes to perform on themselves, others, or even animals. There are three levels: level 1, level 2 & Master level. Reiki is passed from Master to student through series of attunements and can be a very loving and profound experience.

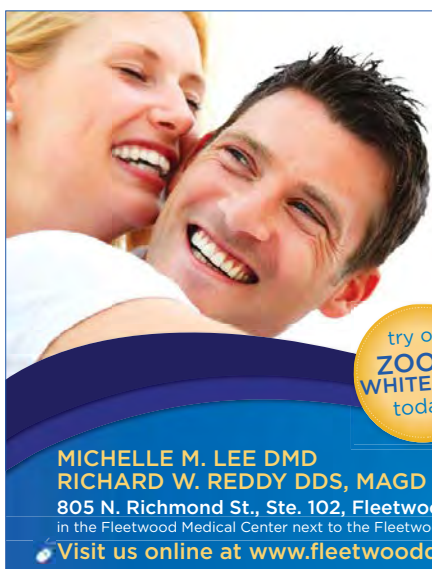

For more information on the Traditional Usui Reiki Level 1 class held January 10 & 11, 2015 or to set up your appointment to experience firsthand what Reiki can offer you, contact: Lori Kleinsmith, Reiki Master/Teacher, Certified Hypnotist, 610-823-4160 Hours by appt.  Level two class coming in March, 2015

A SAVIOUR IS BORN

"And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid. And the angel said unto them, "Fear not, for behold I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a SAVIOUR, WHICH IS CHRIST the Lord. And this shall be a sign unto you; Ye shall find the babe (Jesus) wrapped in swaddling clothes, lying in a manger." And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, "Glory to God in the highest, and on earth peace, good will toward men." And it came to pass, as the angels were gone away from them into heaven, the shepherds said one to another, "Let us now go even unto Bethlehem... And they came with haste and found Mary and Joseph and the babe (Jesus) lying in a manger." (Luke 2:8-16). This same Jesus was crucified, buried in a sepulchre, arose victoriously, ascended into heaven and shall come again to judge the world.

WHEN TO ELECT SOCIAL SECURITY MAY BE THE SINGLE MOST IMPORTANT DECISION OF YOUR RETIREMENT

The difference between the best and worst possible outcome is often over \$100,000. Most people think you can do a simple break-even analysis using one of many free break-even calculators available to determine whether to elect Social Security early or wait.

However, virtually all of the simple break-even calculators in use today ignore the spousal and survivor benefits available to married couples. There has never been a tool that could offer a thorough analysis to show married couples when to elect their Social Security benefit and whether to use creative election strategies to maximize their income stream - until now.

Using software analysis, we examine hundreds of possible combinations, including 81 possible age combinations across nine possible election strategies, and find the one option that offers the highest expected lifetime benefit.

KUTZTOWN JUMBLES

3 Large Eggs	2 C. Superfine Sugar*
1 C. Sour Cream	5 C. Pastry Flour
1 tsp. Baking Soda	1/2 tsp Ground Mace
1-1/2 tsp. Ground Cinnamon	1-1/2 tsp. Grated Nutmeg
Confectioner's Sugar	Aniseed

Beat the eggs until lemon colored, then gradually add the sugar. Beat until light and the sugar is dissolved, then add the sour cream. Sift together the flour, baking soda, mace, cinnamon, and nutmeg twice, then fold into egg mixture to form a soft dough with the consistency of peanut butter. Cover and set aside to ripen overnight in the refrigerator. Preheat oven to 325° F. Dust a clean work surface liberally with confectioner's sugar. Using the hands, roll large scoops of dough into the sugar to form long ropes about 1-1/2" in diameter. Cut these into 4" lengths and join at the ends to form rings. Scatter aniseed on greased baking sheets and lay the rings onto the seeds. Bake 18-20 minutes or until the cookies are golden brown on the bottom. Cool on racks and store in airtight containers.
