At The Holidays Be a Blessing, Shine Your Lights

"Who is my neighbor?" Luke 10:29 "Whoever needs help." The Rev. Kris Hayden, St. Peter's Church of Christ.

If you are like me and feeling the intense emotions from the election and beyond, that bring up prejudices, fears, and phobias and old baggage to be released with no hurt or harm to anyone. You might seek kindred spirits for healing in a place that is angelic and calming. Like Angel Holidays. One thing

that helps me is to paint and write about my love for the earth and all who live here, to see her beauty that is in each and everyone of us. There will be a peace mural at Angel Holidays where you can express through painting your hope, shine your light and love.

Angel holidays spiritual holistic faire, in this time of change and questions, is to give support, offer relaxation, new knowl-

edge, help to pamper you, nurture the nurturers, offer different possibilities, through angelic healing arts, music, free lectures, galleries, nutritional Mediterranean food, angel readings, aromatherapy to uplift your mood, crystals and alternative healing modalities such as reiki to release the stress, and offer you quality holiday blessed shopping.

Join us on Saturday, December 10 and Sunday December 11 for another wonderful Angel Holidays Spiritual Holistic Faire at Leesport Farmers Market banquet hall, 312 Gernants Church Road, Leesport, Pa. 10:00 to 4:00 both days. Admission is \$6.00, \$5.00 if you donate cat or dog food. Kimberleedawn88@gmail.com 484.363.7356. Vendor booths still available. Go fund me for angel days spiritual holistic

When Born, We Are All Blessed With The Profound Gift Of Life.

It is up to each of us to maintain and protect the delicate balance of health and well-being. Unfortunately, life does not always make this task simple. My story is nothing heroic or extraordinary. I am no one special. I am one person attempting to bring my body back into balance. One person fighting for my health.

My journey began roughly five years ago when I was diagnosed at age 30 with Parkinson's Disease. Combined with the already diagnosed Systemic Lupus, Hashimoto's Disease, PCOS, and endometriosis, this new diagnosis was terrifying! I began reading anything and everything from nutrition to Chinese medicine. I wanted to incorporate holistic therapies in addition to the traditional therapies. Massage has reduced the muscle spasms, gait problems, and helped to increase muscle flexibility, all major concerns with both Parkinson's Disease and Lupus. Acupuncture has helped to decrease inflammation in the body, ease joint pain, balance hormones and eliminate migraines. Both of these therapies have made a noticeable difference

Last October life threw me another curve ball- cancer. For the past year, I have been receiving chemotherapy. Many studies have been done about the benefit of essential oils, specifically Frankincense, and tumor growth. Some studies have reported complete elimination of tumors with the use of this amazing essential oil. Currently scientists have been examining the use of infrared waves in conjunction with chemotherapy. Infrared waves are able to penetrate deep into the tissues of the body and (in simplistic terms) break down the cancerous cells allowing the chemotherapy to obliterate the tumors. I was fortunate to find an infrared sauna and complete daily sessions in-between treatments. The sweat expelled from the body is much more toxic than the sweat expelled during a traditional steam My body was actually sauna. able to process the dying cells and eliminate the build-up of chemicals from multiple chemotherapy treatments. It

was my miracle! I would have treatment and within a few days be back on my feet; no metallic taste; more energy; and less

I am still fighting my battle and I have a long road ahead of me. I know that I will win and my hope is that my story will inspire

others to bring back their own balance.

A special thank you to the Inner Peace and Wellness Center, located at 202 South Third Street, Hamburg, 610-401-1342, for providing all of the holistic therapies mentioned For more information, stop by Inner Peace & Wellness Center on Wellness Day, Saturday, Dec. 10 from 10 to 4 or Fridays 2-8, Saturdays and Sundays Noon to 6 in December. innerpeaceandwellnesscen-

I want to reach out to all of you and thank you for your support. The encouragement that we have received from customers, employees, family, my church family and friends, and in addition, most recently Senator Judy Schwank's office is amazing. I want to wish a special thank you to Pastor Randy Bond as well as Michael Wagner from Tompkins/Vist Insurance in addition to Tigen Marie, my manager, for standing by my side during the fire. At this time, I have to say that I'm very overwhelmed with everything. Something like this has never happened to us. I thank God everybody got out safely and for the guick response from Blandon Fire Department and Fleetwood Fire Company. We should pray for these brave people everyday. When seeing the face of Chief Dan Miller when he stormed into the building really made me observe how, when danger is evident, most people run out of the burning building; but these people run into the building. We are praying for God's speed to get through all the paperwork that is needed so we can start the repairs. Thanks again to everybody!!
