Once Upon A Time....

There was an owner of a very successful hot dog stand. This owner built his business by having the best hot dogs around and by letting his customers know about them through extensive advertising. His business was so successful that he was able to send his son to a prestigious Ivy League school where his son was studying to receive his M.B.A.

One day the son came home for a break and promptly questioned his father "Dad, don't you know that there is a recession going on out there?" The father replied that his business was going very well, but the son persisted telling his father "Dad, you've got to cut back." So the father, figuring his son knew all about business, followed the son's advice. He promptly cut his advertising budget and then cut his hot dog & bun orders. Before long, business in fact did slow down. So the father replied to the son "You were right, son. Business is terrible. There is a recession going on out there."

Recipe

CHOCOLATE TRUFFLE COOKIES

4 (1 ounce) squares unsweetened chocolate, chopped

1 cup semisweet chocolate chips

6 tbsp. butter

3 eggs

1 cup white sugar

1 1/2 tsp. vanilla extract

1/2 cup all-purpose flour

2 tbsp. unsweetened cocoa powder

1/4 tsp. baking powder

1/4 tsp. salt

1 cup semisweet chocolate chips

In the microwave or in a metal bowl over a pan of simmering water, melt unsweetened chocolate, 1 cup of the chocolate chips, and the butter, stirring occasionally until smooth. Remove from heat and set aside to cool. In a large bowl, whip eggs and sugar until thick and pale, about 2 minutes. Stir in the vanilla and the chocolate mixture until well mixed. Combine the flour, cocoa, baking powder and salt, gradually stir into the chocolate mixture. Fold in remaining 1 cup chocolate chips. Cover dough and chill for at least an hour or overnight. Preheat oven to 350 degrees F. Roll chilled dough into 1 inch balls. Place on ungreased cookie sheets so they are 2 inches apart. Bake for 9 to 11 minutes in the preheated oven. Allow cookies to cool on baking sheet for 5 minutes before removing to a wire rack to cool completely.
