RICH CHRISTMAN'S ASPHALT SEALCOATING

570-754-3638

Auburn, PA

Sunsweet Growers Inc. is celebrating our 100-year anniversary, and we operate a state-of-the-art juice bottling plant in Fleetwood, PA. Many of our employees have been with us over 20 yrs, and we are currently seeking good people to join our team. We produce on a conventional 5 day, Monday through Friday Production week with Saturday production as necessary. Sunsweet offers outstanding benefits, including 401k, profit sharing, paid vacation, paid holidays, and an excellent medical benefits package.

Maintenance Mechanics, 2nd and 3rd shift: Responsible for maintenance, troubleshooting, repairs, preventive maintenance, product/size changeovers, CIP systems, and production line support of three bottling lines, batching, brew and prep processes. Preference is for experience with packaging machinery, millwork, PLC, and welding skills. Must be able to lift up to 70 lbs. Multiple openings, please provide shift preference. **Must be team-oriented.**

Supervisor, 3rd shift Sanitation: Responsible for nightly Plant Sanitation efforts of the Sanitation Team. Also oversees evening Maintenance tasks, end-of-run efforts of bottling lines, oversight of the Juice-making process, maintaining Quality standards and ensuring all safety policies are followed. Food Plant Certifications and Sanitation/Food manufacturing experience strongly preferred.

Juice Prep (Batching) Operators, 2nd and 3rd shift: Responsibilities include operating juice batching, storage and pumping equipment. Must maintain a sanitary work environment. Must be able to move 40 lbs. frequently, 70 lbs. occasionally. Must have strong math skills and attention to detail. Position requires overtime and weekend work. **Must be team-oriented.**

Please send resume, including salary requirements to:

Personnel Dept., 105 South Buttonwood St., Fleetwood, PA 19522

Blueberry Pie
PERFECT FOR SUMMER EVENINGS!

Summer is a season for relaxation. When it comes to food, nothing quite exudes the spirit of summer like a good dessert. A freshly cooked pie on the windowsill can waft through the house and into the yard, enticing family members and passersby alike. Kicking up your heels and enjoying a piece of pie on the patio is a great way to spend a summer evening. This summer, relax with the following recipe for "Blueberry Pie" from Mollie Cox Bryan's "Mrs. Rowe's Little Book of Southern Pies" (Ten Speed Press).

BLUEBERRY PIE
Makes one 9-inch pie
1 recipe Plain Pie Pastry
6 C blueberries, fresh or frozen (thawed & drained if frozen)
2 tablespoons lemon juice
1/2 C sugar
1/2 C all-purpose flour
3/4 tsp ground cinnamon
2 T cold unsalted butter, cut into bits
1 egg beaten with 1 tablespoon milk, for egg wash

Line a 9-inch pie plate with 1 rolled-out crust and place in the refrigerator to chill. Put the blueberries in a bowl, add the lemon juice, and stir to coat. Separately, combine the sugar, flour and cinnamon, mix thoroughly and stir into the blueberries. Spread the filling in the crust, and scatter the butter over the top. Brush the rim of the crust with the egg wash, cover with the second rolled-out crust, and seal and flute or crimp the edges. Put the pie in the refrigerator to chill until firm, about 30 minutes. Store the remaining egg wash in the refrigerator, too. Preheat the oven to 425 F. Brush the top crust with egg wash, then score the top with two perpendicular cuts for steam vents. Bake for 20 minutes, then lower the oven temperature to 350 F and bake for another 30 to 40 minutes, until the juices are bubbling and the crust is golden brown. Cool on a wire rack for at least two hours before slicing, then chill in the refrigerator until ready to serve. Serve chilled or warm.

PLAIN PIE PASTRY
Makes two 9-inch pie crusts
2 cups all-purpose flour
1 teaspoon salt
2/3 cup vegetable shortening
5 to 7 tablespoons cold milk

Sift the flour and salt into a bowl. Cut in the shortening with a pastry blender until it is the size of small peas. Sprinkle 1 tablespoon of the milk over part of the flour mixture. Gently toss with a fork and push to the side of the bowl. Sprinkle another tablespoon of milk over another dry part, toss with a fork and push to the side of the bowl. Repeat with the remaining milk until all of the flour mixture is moistened. Press the dough together to form 2 equal balls, then flatten into disks. Roll out the crusts right away, or wrap the dough tightly, smoothing out any little wrinkles or air pockets, and refrigerate for up to 2 weeks. On a lightly floured surface, roll out each ball to a thickness of 1/8 inch. Use a light touch and handle the dough as little as possible.
