### WHAT DOES A HYPNOTIST DO?

Lori Kleinsmith, Certified Hypnotist

Over the years that I have been a hypnotist I have heard many different accounts of what a hypnotist does. Some are funny, some are sad and some are spot on. The funny ones often refer to clucking like a chicken after the session is over. That might be entertaining for some spouses, but, that is not the case. The sad ones are simply expressing fears from a lack of knowledge or listening to other peoples impressions of hypnosis even though they have never experienced hypnosis themselves. Let us take a look at what hypnosis really is. Hypnosis is a trance-like state that we enter into multiple times a day. Therefore the feeling of being hypnotized is very familiar to our minds and bodies. It feels like a nice

state of relaxation if you allow it to feel that way for you. People fear that under hypnosis they will reveal secrets, surrender their will or lose consciousness. No to all three. Most of the time the only person talking during a session is the hypnotist. You never surrender your "will" because you are always in control and like mentioned before, hypnosis is a nice relaxed feeling. I have seen people become extremely aware of what is being said during the session, and yes, everyone comes out of hypnosis. Remember, you are always in control. Hypnosis is for all ages except the very young (under 4). It is also hard to hypnotize someone who is mentally challenged, psychotic or on a slurry of psychotropic drugs.

It is hard to get through the mental haze. The more intelligent you are, the easier it is for you to be hypnotized. During a hypnosis session I talk to your subconscious mind. At that time you are given positive and beneficial suggestions. Your subconscious hears the suggestions being given to you. However, it is up to you to accept or decline these suggestion. Remember, you are always in control. For more information contact Lori Kleinsmith, Certified Hypnotist and owner of Pinnacle Hypnosis and Therapies, 400B S. ### AMAZING WHISKEY GRILLED BABY-BACK RIBS

2 ( 2 pound) slabs baby-back pork ribs  
coarsely ground black pepper  
1 tablespoon ground red chile pepper  
2-1/4 tablespoons vegetable oil  
1/2 cup minced onion  
1-1/2 cups water  
1/2 cup tomato paste  
1/2 cup white vinegar  
1/2 cup brown sugar  
2-1/2 tablespoons honey  
2 tablespoons Worcestershire sauce

2 teaspoons salt  
1/4 teaspoon coarsely ground black pepper  
1-1/4 teaspoon liquid smoke flavoring  
2 teaspoons whiskey  
2 teaspoons garlic powder  
1/4 teaspoon paprika  
1/2 teaspoon onion powder  
1 tablespoon dark molasses  
1/2 tablespoon ground red chile pepper

Preheat oven to 300 degree F.  
Cut each full rack of ribs in half, so that you have 4 half racks. Sprinkle salt and pepper (more pepper than salt), and 1 tablespoon chile pepper over meat. Wrap each half rack in aluminum foil. Bake for 2-1/2 hours. Meanwhile, heat oil in a medium saucepan over medium heat. Cook and stir the onions in oil for 5 minutes. Stir in water, tomato paste, vinegar, brown sugar, honey and Worcestershire sauce. Season with 2 teaspoons salt, 1/4 teaspoon black pepper, liquid smoke, whiskey, garlic powder, paprika, onion powder, dark molasses, and 1/2 tablespoon ground chile pepper. Bring mixture to a boil, then reduce heat. Simmer for 1-1/4 hours, uncovered, or until sauce thickens. Remove from heat, and set sauce aside.  
Preheat an outdoor grill for high heat.  
Remove the ribs from the oven, and let stand 10 minutes. Remove the racks from the foil, and place on the grill. Grill the ribs for 3 to 4 minutes on each side. Brush sauce on the ribs while they're grilling, just before you serve them (adding it too early will burn it).

**I Don't Need To Advertise**

**You're Right... There is a time NOT to advertise, when...**

1. You have no competition.
2. You have all the business in town.
3. There are no new people moving into your area.
4. You want to keep your large inventory.
5. You have more business than you can handle.
6. The birth rate is zero.
7. You have more than enough friends that shop your business, keeping you far to busy.
8. You've netted your third million (after taxes).
9. You have no desire to work hard.
10. You would have to hire more people to handle the additional business advertising brings.

**The time to start advertising is...**  
When you don't agree with all the above.

**The place to start advertising is...**  
The one that has a combined circulation of 71,500 homes.

As we celebrate Independence Day, we are once again reminded that freedom is not free. Just as America fought for independence in 1776, American troops continue to defend freedom around the world today. July Fourth is a day to honor the men and women who have sacrificed so much to protect our liberty. It's a day to proudly celebrate our great country and the ideals it represents.
