AC service & tuneup

You

deserve

better this

summer.

Don't spend another hot, muggy summer wishing you were cooler.

Do you have Window AC Units

Let BQF install a mini-split AC system in your home. With a small profile and no ductwork required, these units install quickly, easily and can keep you cool on a reasonable budget.

Do you have Central AC

When was the last time you had your AC system checked? Let our experienced technicians perform a 10-point inspection and service to ensure another summer of efficient operation.

Do you have an OLD Central AC

If your air conditioning system is more than 15 years old, now is the time to look at upgrading to better efficiency and greater comfort. New high efficiency systems can help pay you back through energy savings.

## Where is Your WEBSITE?

We have officially entered the Golden Age of the Internet, where having a website for your business is an absolute essential. So where's your website? The Windsor Press offers affordable website design and hosting of your new website. An effective website is the cornerstone of any small business's marketing strategy, offering fundamental information 24 hours a day. There are multiple reasons why you need a website today:

**WEBSITES NEVER SLEEP**  
Websites never take a break, even after business hours are over, customers still have the opportunity to browse your business's website. A website will allow your business to be open 24 hours a day, every day of the year - that's the equivalent to having an employee work around the clock, even weekends and holidays!

**"GOOGLE IT"**  
How many times have you heard "I'll Google it?" More than ever before, people are turning away from traditional means of finding information and looking online. Your business should be at customer's fingertips when they look on any online search engine.

**INSTANT CREDIBILITY**  
Have you ever had difficulty making that sale? Or convincing someone that you are the real deal? Having a website is comparable to having an online business card, containing basic information on you and your offerings, along with a way to reach you.

**INCREASES THE EFFECTIVENESS OF YOUR ADVERTISING**  
Print advertisements are definitely effective components in the advertising mix, but it's the website that strengthens your company's message. Once you have a website up and running, we recommend your print advertising include your website address.

**CONTACT KATIE AT THE WINDSOR PRESS TODAY FOR YOUR NEW WEBSITE**  
Don't be so quick to dismiss your product as one that can't be sold online. Nowadays, there's very little that can't be sold over the internet. No matter the size of your business, it is crucial to have an online presence for customers to quickly and easily find out more about your business and the products or services you have to offer.

### SAVORY GARLIC MARINATED STEAKS

1/2 cup Balsamic Vinegar	1 tsp. Worcestershire Sauce
1/4 cup Soy Sauce	1 tsp. Onion Powder

2 tbsp. Honey	1/2 tsp. Liquid Smoke Flavoring
2 tbsp. Olive Oil	1 pinch Cayenne Pepper
2 tsp. Ground Black Pepper	2 (1/2 pound) Rib Eye Steaks

In a medium bowl, mix the vinegar, soy sauce, garlic, honey, olive oil, ground black pepper, Worcestershire sauce, onion powder, salt, liquid smoke, and cayenne pepper. ## Responsibilities Of Bridal Party Members

Being asked to join a bridal party is both an honor and a responsibility. When asked to take on such significant and meaningful roles, men and women may recognize the honor but be unsure of what their responsibilities are as couples move forward with their wedding plans.

Bridal party roles can vary depending on certain circumstances, but many couples still want their bridesmaids and groomsmen to perform many of the more traditional tasks associated with their roles. The following are some of the tasks bridesmaids and groomsmen can expect to perform in the months leading up to the wedding and during the wedding itself.

- **Maid of Honor:** The maid of honor serves as the bride-to-be's right-hand woman as she plans her wedding and gets ready on her big day. Maids of honor typically go gown shopping with the bride and may even choose or offer suggestions about the color and style of the bridesmaids' dresses. Once a dress style and color has been chosen, the maid of honor will make sure everyone is fitted on time.
- **Maid of Honor:** A maid of honor will also plan the bridal shower, sending invitations and arranging for lodging for out-of-town guests if necessary. Many brides want the details of their bridal showers to be a surprise, and maids of honor should honor those sentiments when possible. A maid of honor also plans the bachelorette party, though many brides do not mind being involved in the planning of such parties.
- **Maid of Honor:** The maid of honor may be asked to help address save-the-date cards and envelopes as well. Come the day of the wedding, the maid of honor will ensure the bride's day is as stress-free as possible, helping to address any last-minute issues that may arise. Maids of honor may be asked to serve as the legal witness to the wedding and sign the wedding license before the reception. At the reception, the maid of honor will toast the bride.
- **Best man:** The best man is the maid of honor's counterpart, helping to plan the bachelor party and toasting the groom at the reception. The best man also tends to hold the rings during the wedding ceremony, and during the day of the wedding, he will coordinate the groomsmen to make sure everyone is ready to go on time. The best man may arrange transportation for the groom and groomsmen on the day of the wedding and may also return the groom and groomsmen's attire the following day if the newlyweds are departing on their honeymoons.
- **Bridesmaids/Groomsmen:** The bridesmaids and groomsmen serve similar functions, acting as sources of support as couples plan their weddings. Bridesmaids and groomsmen help to plan the bachelorette and bachelor parties and may also be asked their opinions as couples make decisions regarding their weddings. Bridesmaids and groomsmen must be prepared to take pictures once couples have officially tied the knot. They also must help the brides and grooms with any issues that may arise in the hours before couples become husband and wife.
- **Flower girl/Ring bearer:** Flower girls and ring bearers are often young relatives of the couple, whether they are a young brother or sister or a niece or nephew. The responsibilities of the flower girl and ring bearer are typically limited to the ceremony, during which they will walk down the aisle, either together or individually, before the father of the bride escorts his daughter to the altar or stage.
- **Father of the bride:** The father of the bride walks his daughter down the aisle during the ceremony, and, along with his wife, may pay for the wedding, though many couples now finance their own nuptials. The father of the bride will dance with his daughter during the reception, and some fathers may even share a special toast for the newlyweds during the reception, though such a toast is not traditionally required.

Bridal parties play a big role on couples' wedding days, and those roles are both an honor and a responsibility.

**TAB** Many wedding traditions have fallen by the wayside over the last several decades, and that includes who is picking up the tab. In the past, the brides' parents paid for the wedding while the grooms' parents were expected to pick up the tab for the rehearsal dinner. But many couples now pay for their own weddings, and those that are footing the bill should include the rehearsal dinner in their wedding budgets. If parents offer to pay or split the tab, you can take them up on their generous offer. But it is still to a couple's advantage to expect to pay for their rehearsal dinners. Rehearsal dinners are an enjoyable tradition that affords couples the chance to sit down with their closest friends and family members and enjoy a great meal together. Planning ahead can make the dinner even more enjoyable.
