Over the past couple of years I have had people call me about the great results they have had after using CBD. Recently a woman told me about her son who is autistic and how it has helped him to calm down. Another woman with macular degeneration said the doctor noticed an improvement in her eyes. Keep in mind everyone reacts differently to the CBD. Results may vary

But what is CBD? Cannabinoil, better know as CBD, is becoming a popular natural remedy used for many common ailments. Naturally accruing, CBD is one of the 104 chemical compounds

known as cannabinoids extracted from the flowers and buds of hemp (cannabis) plants. Tetrahydrocannabinol (THC) is the main psychoactive cannabinoid found in cannabis, and causes the sensation of getting "high" that's often associated with marijuana. However, unlike THC, CBD is not psychoactive. You do not get a "high" from taking CBD.

The fact that you do not get a "high" makes CBD a very appealing option for those who are looking for pain relief and other symptoms without the "high" you get from marijuana or certain pharmaceutical drugs.

CBD oil is made by extracting CBD from the cannabis plant, then diluting it with a carrier oil like coconut or hemp seed oil. The health benefits of CBD oil is backed by scientific evidence and is gaining momentum in the health and wellness world. Some scientific studies confirming it may help a variety of ailments like chronic pain and anxiety. Also may help with reducing acne, alleviating cancer-related symptoms, decreasing inflammation, lowering blood pressure and so much more.

Are there any side effects? Most people experience no side effects. Some of the side effects may be drowsiness, diarrhea, dry mouth and change in appetite. As always it is best if you consult your doctor before starting CBD oil to avoid any drug interactions.

When buying CBD oil many people prefer using an organic fullspectrum (whole plant) oil instead of an isolate (one part of the plant). Make sure your CBD is high quality and organic. There are many subquality knockoff oils out there on the market. Many oils coming from China. Read your labels and ask questions.

While in the "Yellow Phase" the store will be open Wednesdays and and Saturdays 10 to 2. Services will once again be offered when in

the "Green Phase". For more information and samples of Karma Farma 1000 CBD Oil and My CBD Remedies creams stop in at Pinnacle Hypnosis and Therapies, 400B South 4th St., Hamburg, PA 19526 or call 610-823-4160 www.pinnaclehypnosis.com
