Turkeys stress easily, we can not guarantee their health after they leave the store. To minimize the stress, we recommend getting a minimum of 5 turkeys.

The White and Bronze turkeys are meat birds, and generally are not capable of breeding naturally. They grow fast and can get to be 50 pounds. If you are looking for a pet-type turkey, please consider the Bourbon Red.

Guineas are comical birds. They are excellent foragers, living on insects, seeds and grasses. They are great watch dogs, cackling at intruders or anything unusual.

Chicks will be given the Mareks vaccine.

We will try to accommodate special orders for breeds of chicks. Orders straight run and cockerel chicks can be taken at \$2.30 and \$1.75 respectively. Please make plans to pick up your chicks within 24 hours of their arrival at Mountain View. We will call you when they arrive. Remember, if we can't reach you, we won't hold your poultry.
