\*APR (Annual Percentage Rate). HRCU may finance up to the maximum approved by policy for New & Used vehicles (including tax, tags, documentation and certain extended warranties), and is also based upon vehicle value and the applicant's credit worthiness. The interest rate applied may be higher based on the applicant's credit worthiness or vehicle value. Minimum loan amount is \$5,000. HRCU may not fund down payments regarding the vehicle value and applying interest rate. Rates and terms are current as of 4/1/17 and are subject to change without prior notice. See HRCU's LOAN RATES Credit and Security Agreement. Additional interest rate discounts or promotional terms may apply to new loan applications only and may already be reflected in the interest rate advertised. No other discounts apply.  
\*\*Rates and terms are current as of 4/1/17 and are subject to change without prior notice. HRCU's APR is expressed as a VARIABLE interest rate and applies to an 80% LTV Equity line loan. The applied interest rate will equal the major bank Prime Rate plus 0.50% as published in the Wall Street Journal on any January 1st or July 1st of the last calendar period. The interest rate applied cannot increase or decrease more than 2.50% at each potential adjustment. The minimum APR is 4.00%. The maximum rate can never exceed 18%. A five-year advance period applies with up to a fifteen-year repayment term. Interest rate discount or promotional rate is available for new HRCU applicants and is the effective interest rate for one year from the date of loan origination. Loan will revert to market interest rate in effect with the expiration of the promotional or discount. No other discounts apply.  
\*\*\*Qualifying loans for the HRCU Money Tree mystery envelope (open promotion) include new or used auto loans and home equity lines of credit. Minimum funded loan amount to qualify is \$10,000. Certain restrictions may apply. See Official Rules at [www.hdriver.org](http://www.hdriver.org).

## ECOPIA™ EP422 Plus

### All-Season Touring

The Ecopia EP422 Plus featuring T-speed rated sizes is one of Bridgestone's ecologically oriented Standard Touring All-Season tires developed for the drivers of coupes, sedans, minivans and small crossover vehicles looking to combine year-round traction, handling and comfort with reduced environmental impact. Ecopia EP422 tires are designed to enhance vehicle fuel economy by reducing tire rolling resistance along with the vehicle's carbon dioxide (CO2) emissions while delivering year-round, all-season traction, even in light snow.

The Ecopia EP422 uses an all-season tread compound featuring Bridgestone's unique NanoPro-Tech (Nanostructure-Oriented Properties Control Technology) to reduce rolling resistance and energy loss while maintaining dry, wet and wintertime traction. This compound is molded into a symmetric tread design that combines notched shoulders and intermediate ribs with independent center blocks for dry road tracking and traction. Four circumferential grooves are designed to help water flow from under the footprint to resist hydroplaning and enhance wet traction while notches and sipes increase the edges that bite into light snow. The tire sidewalls feature Bridgestone's Fuel Saver compound to further increase efficiency. The tire's internal structure includes twin steel belts reinforced by spirally wrapped nylon on top of a polyester casing to blend ride comfort and durability.
