Remembering Our Veterans on Memorial Day

Today we honor the memory of the brave soldiers who made the ultimate sacrifice to protect our nation and our way of life. Their dedication to country and freedom makes us proud to be Americans, and we owe them a debt of gratitude that can never be repaid. On Memorial Day, we salute our nation's fallen and the families who carry on without them. Their heroic spirit and sacrifice will never be forgotten. We will always remember that freedom is not free.

We humbly pay tribute to our veterans past and present for their courage, sacrifice and service to our country

The employees of The Windsor Press, Inc. wish you a Safe & Happy Memorial Day Weekend.

St. John's Cemetery Company

Hamburg, PA

is a non-profit organization established in 1811 for the purpose of providing perpetual maintenance and management of our 4 cemeteries located in the Borough of Hamburg. Although we are not directly affiliated with any local churches or organizations, we continue to offer burial sites and service to anyone who may desire St. John's Cemetery to be their final resting place. Presently, we do not receive any funding from any local churches or organizations. Our only source of income has been the sale of cemetery lots.

Due to the Great Recession and the ongoing expenses of maintaining the grounds, equipment, and facilities, the board of directors has become extremely concerned about the financial condition and longevity of the cemetery company. The volunteer board of directors has made changes to reduce costs, but maintenance costs continue to far exceed the income generated from lot sales. Therefore, the board asks that you consider making a financial contribution to the perpetual care fund of the cemetery in order to continue providing the high standard of maintenance that you are accustomed to seeing in our local community cemeteries. If you are not able to make a financial contribution at this time, perhaps you would consider a contribution to St. John's Cemetery Company in your long-term financial planning. This would also be an excellent time to consider purchasing a cemetery plot for you or your family.

Please mail any contributions to St. John's Cemetery Company, PO Box 244, Hamburg, PA 19526. To discuss other options, please call the cemetery office at 610.562.2129 to speak with a board member. Thanking you in advance for your consideration.

A BRIEF HISTORY OF ST. JOHN'S CEMETERY,
HAMBURG, PA

The history of the cemetery dates prior to 1811 during a period when the function of a Church was to provide a burial place for members who passed, in addition to furnishing a house of worship. This was accomplished by local churches providing a "Churchyard", now called a cemetery, adjacent to their church building. In accordance with this custom, the Union Churches of Hamburg established their first "Churchyard" beside the first log church built south of Pine Street and east of Primrose Alley in Hamburg. It is on this plot of ground that first settlers of Hamburg are buried, including it's founder, Martin Kaercher.

As the number of available burial plots diminished, a second cemetery parcel was purchased in 1811 on Pine Street behind St. John's Church to keep the "Churchyard" tradition. Records from May 23, 1853, show the price of burial lots ranged from \$6.00 to \$10.00. During 1951, another new parcel of land located along the south side of State Street in Hamburg was purchased and incorporated into the cemetery in later years. This new section of St. John's Cemetery would be known as "Fairview Cemetery".

During this era, each family was required to care for their own burial lots. However, eventually families no longer had descendants in the area, and so the lots were not kept in a presentable condition giving the cemetery a very unsatisfactory appearance. To correct this situation, a new corporation known as St. John's Cemetery Company, Inc. was organized on April 23, 1919. The responsibilities of the new organization would include maintaining a work staff, equipment, a building, and to solicit endowments for the perpetual care of the cemetery. Although the company would no longer have any direct affiliation with churches, the local churches were glad to turn all their limited assets over to the company as the cemeteries were becoming a maintenance and economic burden to the churches.

During the late 1800s another group of local churches founded their own cemetery called "Greenwood Cemetery" located on the west side of N. 5th Street in Hamburg. Eventually, they too had sold out of burial lots and were faced with the problem of expansion and maintenance expense. In 1933, the directors of "Greenwood Cemetery" requested that St. John's Cemetery Company, Inc. absorb their affairs and expenses. After this transition was completed, the four Protestant cemeteries in Hamburg were managed by one company and Board of Directors.

Our mission at St. John's Cemetery Company, Inc. is to uphold the tradition of offering quality burial services and perpetual cemetery care for those families in our community who choose this beautiful location as their final resting place.

Respectfully,
Board of Directors for St. John's Cemetery Company, Inc.
