### SEASONAL EQUIPMENT

A couple were out Christmas Shopping. The shopping center was packed and as the wife looked every where, her husband was no where to be found. She was quite upset and worried because they had so much to do. She called him on her cell phone to see where he was. In a quiet voice he said, "do you remember the jewelers we went into about five years ago where you fell in love with that diamond necklace that we couldn't afford, and I told you that I would get it for you one day?" The wife choked up and started to cry and said, "Yes I do remember that shop". He replied, "well, I'm in the bar next door."/>
